

Appendix A: Social Distancing Protocol

Business name: Cordillera Metro District

Facility Address: 0408 Carterville Road, Cordillera, CO 81632

Approximate gross square footage of space open to the public: 7000-acre community.

Businesses must implement all applicable measures listed below, and be prepared to explain why any measure that is not implemented is inapplicable to the business.

Signage:

- Signage at each public entrance of the facility or location to inform all employees and customers that they should: avoid entering the facility or location if they have a cough or fever; maintain a minimum six-foot distance from one another; sneeze and cough into a cloth or tissue or, if not available, into one's elbow; and not shake hands or engage in any unnecessary physical contact.
 - Signage posting a copy of the Social Distancing Protocol at each public entrance to the facility or location.
-

Measures To Protect Employee Health (check all that apply to the facility):

- Everyone who can carry out their work duties from home has been directed to do so.
- All employees have been told not to come to work if sick (including any of the following- headache, sore throat, fever, dry cough, recent inability to taste and smell, shortness of breath, ear aches, body aches, diarrhea, fatigue, vomiting and abdominal pain).
- Symptom checks are being conducted before employees may enter the work space.
- All desks, individual work stations or work areas are separated by at least six feet.
- Break rooms, bathrooms, and other common areas are being disinfected frequently, on the following schedule

- Break rooms: Daily

- Bathrooms: Daily

- Other

■ Disinfectant and related supplies are available to all employees at their workstations and the following location(s): Individual offices and front desk.

■ Hand sanitizer effective against COVID-19 is available to all employees at workstations and the following location(s): Individual offices and front desk.

■ Soap and water are available to all employees at the following location(s): Restrooms, kitchen area and breakroom.

■ Copies of this Protocol have been distributed to all employees.

■ Optional—Describe other measures: Employees/managers are working from home; no more than 4 individuals in the administration building at one time; crew rotation for operations, autonomous jobs.

Measures To Prevent Crowds From Gathering (check all that apply to the facility):

■ Limit the number of customers in the store at any one time to 4 which allows for customers and employees to easily maintain at least six-foot distance from one another at all practicable times.

■ Post an employee at the door to ensure that the maximum number of customers in the facility set forth above is not exceeded.

■ Placing per-person limits on goods that are selling out quickly to reduce crowds and lines.

Explain

[Redacted]

■ Optional—Describe other measures: Maximum of 4 in admin; 2 to 4 (inside and outside) at barn; max of 1 in each gate house; max of 1 in vehicles/equip.

Appendix A: Social Distancing Protocol

Measures To Keep People At Least Six Feet Apart (check all that apply to the facility)

- Placing signs outside the store, facility or location reminding people to be at least six feet apart, including when in line.
 - Placing tape or other markings at least six feet apart in customer line areas inside the store and on sidewalks to public entrances with signs directing customers to use the markings to maintain distance.
 - Separate order areas from delivery areas to prevent customers from gathering.
 - All employees have been instructed to maintain at least six feet distance from customers and from each other, except employees may momentarily come closer when necessary to accept payment, deliver goods or services, or as otherwise necessary.
 - Optional—Describe other measures: Plexiglass in post office, gate sticker protocol revised,
-

Measures To Prevent Unnecessary Contact (check all that apply to the facility):

- Preventing people from self-serving any items that are food-related.
 - Lids for cups and food-bar type items are provided by staff; not to customers to grab.
 - Bulk-item food bins are not available for customer self-service use.
 - Providing for contactless payment systems or, if not feasible, sanitizing payment systems regularly.
Describe: Post office - payment system sanitized after each individual use.
 - Providing curb-side drop-off/pick-up of products.
 - Optional—Describe other measures (e.g. providing senior-only hours): Offering curbside pick-up of mail; encouraging customers to use PO outside of 10 a.m. and 12 p.m.
-

Measures To Increase Sanitization (check all that apply to the facility):

- Disinfecting wipes that are effective against COVID-19 are available near shopping carts and shopping baskets.
 - Employee(s) assigned to disinfect carts and baskets regularly.
 - Hand sanitizer, soap and water, or effective disinfectant is available to the public at or near the entrance of the facility, at checkout counters, and anywhere else inside the store or immediately outside where people have direct interactions.
 - Disinfecting all payment portals, pens, and styluses after each use.
 - Disinfecting all high-contact surfaces frequently.
 - Optional—Describe other measures: Disinfectant in storage room; soap and water in breakroom.
-

Measures To Reduce Exposures in Employee Transportation

- Employee(s) are screened for COVID-19 symptoms each day and excluded if symptomatic.
- Hand sanitizer is used by each employee when entering the vehicle.
- The number of passengers has been reduced by 50% of the vehicles occupancy and passengers sit in locations to maximize the distance between one another.
- Employees will wear a non-medical, cloth face-covering when in vehicle containing more than 1 person.
- Windows will remain open and ventilation is increased.
- Disinfecting all high-contact surfaces of the vehicle will be done at the end of each day.

* Any additional measures not included here should be listed on separate pages, which the business should attach to this document.
